Biography of Dara Blaker

Dara Blaker, President of Helpful Hallies™, first and foremost is a mother to a five and a half year old daughter and dedicated wife. Not only is Dara the President of Helpful Hallie's, she is also the creator of this imaginative concept, Mighty Miracle Mist™. Mighty Miracle Mist is a 4-pack of unscented water-based sprays that makes it fun for kids to behave. In addition to being the creator and President of Helpful Hallie's, Dara is also a teacher of music. She has been teaching music for 15 years and owns her own music education company, Colour Me Music (<http://www.colourmemusic.com>).

Helpful Hallie's Mighty Miracle Mist™

Pompano Beach, FL - October 31, 2008 - Helpful Hallie's Mighty Miracle Mist™ is not just liquid in a bottle—but a mist of pure heaven. Mighty Miracle Mist is a positive reinforcement tool that encourages good behavior in children. A simple concept with astounding results, Might Miracle Mist was created by a mom inspired by her young child.

Mixing a bit of "Santa is watching"... the power of suggestion is put into play when a child exhibits inappropriate behavior. Parents will choose the corresponding spray and mist the room. Explain that the room has been sprayed for "Cooperation" or whichever behavior you are trying to redirect. Parents will be surprised by the change of behavior.

The miracle will come from your children. The mist is a fun and refreshing way to redirect children to positive behavior. It is being used successfully by teachers, parents, grandparents, caregivers and of course, kids.

Mighty Miracle Mist is sold as a 4-pack of 2 ounce, water-based sprays. Each pack includes: Cooperation & Sharing, Kind Voice & Good Manners, Good Thinking & Pay Attention and Good Night. You may purchase online at the Helpful Hallie's website, (<http://www.mightymiraclemist.com>).

###

About Helpful Hallie's and Mighty Miracle Mist

Helpful Hallie's was launched in 2008 for a creation inspired by a young child. Mighty Miracle Mist, good behavior in a bottle™, was created by Dara Blaker, a mom and teacher, that wanted to help children achieve the good behavior they strived for. The Mighty Miracle Mist philosophy—using fun reinforcement, children can have good behavior.

Product Description

Helpful Hallie's Mighty Miracle Mist™

Ingredients:

Purified water, baking soda, and non-toxic, plastic confetti stars

Directions: *Say it then spray it!*

1. Choose the appropriate bottle. Using the power of suggestion and in an encouraging tone of voice, let the child know the room will be sprayed for cooperation, sharing, kind voice, etc. and that everybody in the room must behave as directed.
2. Spray the air, not directly on the child.
3. Follow up by convincingly and encouragingly reminding the children the room has been sprayed for appropriate behavior.
